Fastening Solutions

At Entheos, we also have a Fastening Division providing first class fastening and security products.

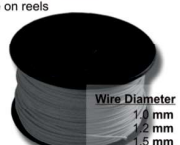

Our range includes: wire ties, twist ties, releasable ties, cable ties, security seals, security wristbands and tag attachments.

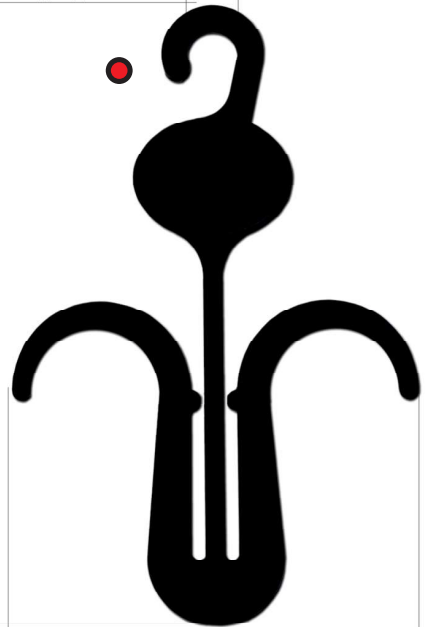

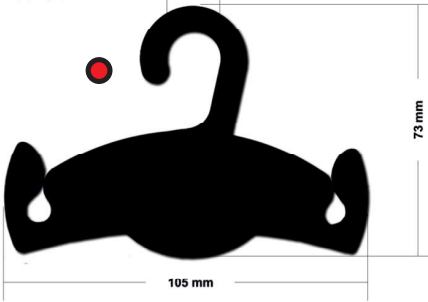

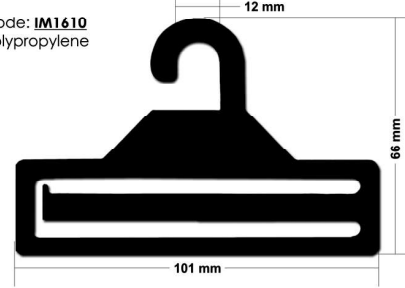

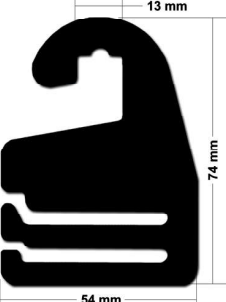

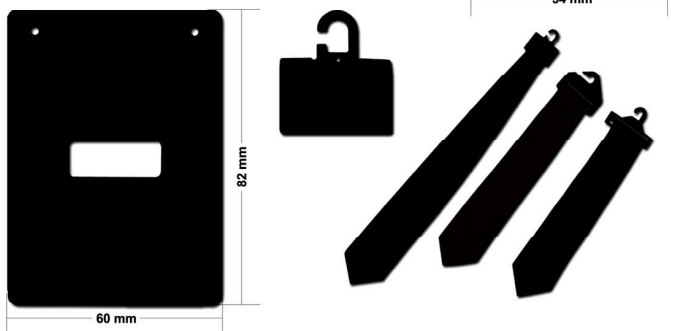

We offer a bespoke printing service so you can add your company brand or logo using our laser and hot-foil printing facilities.

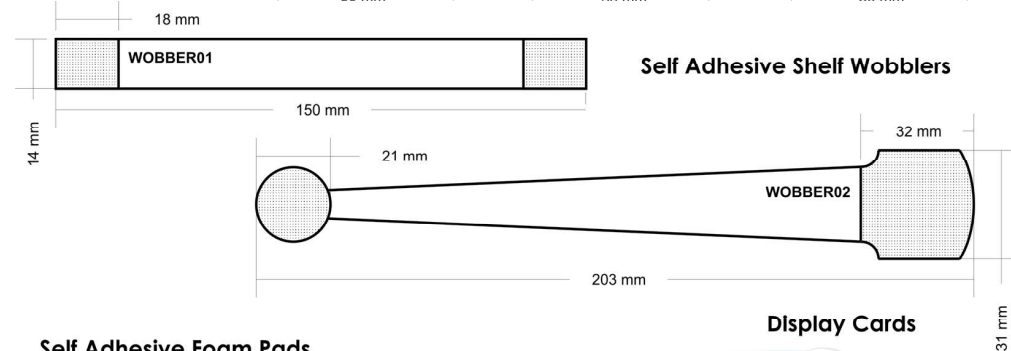

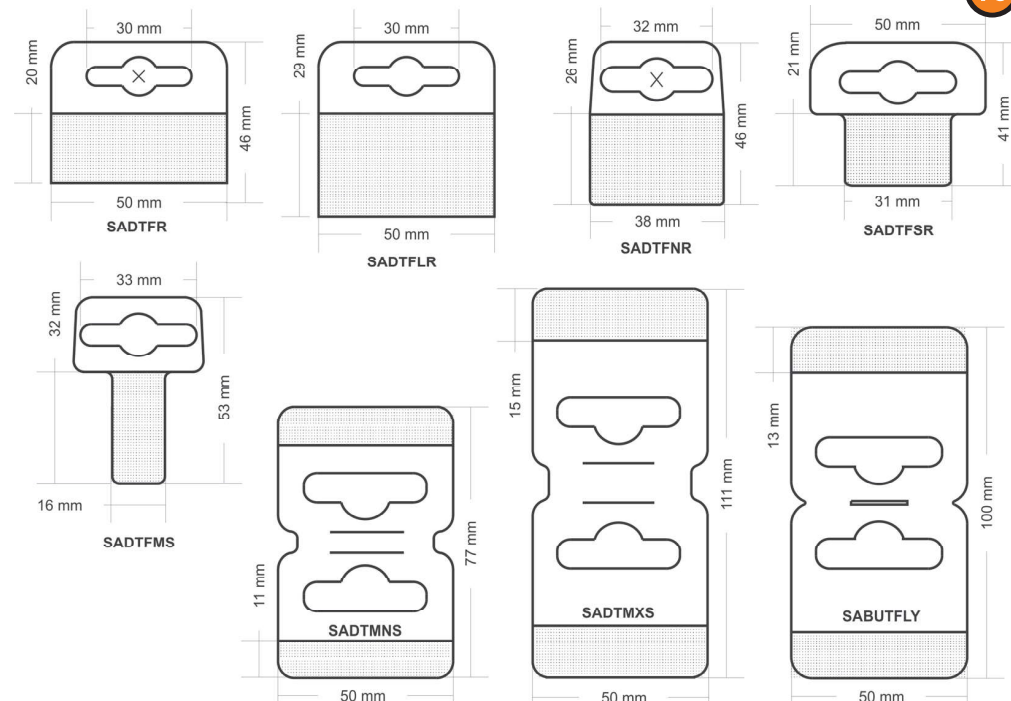

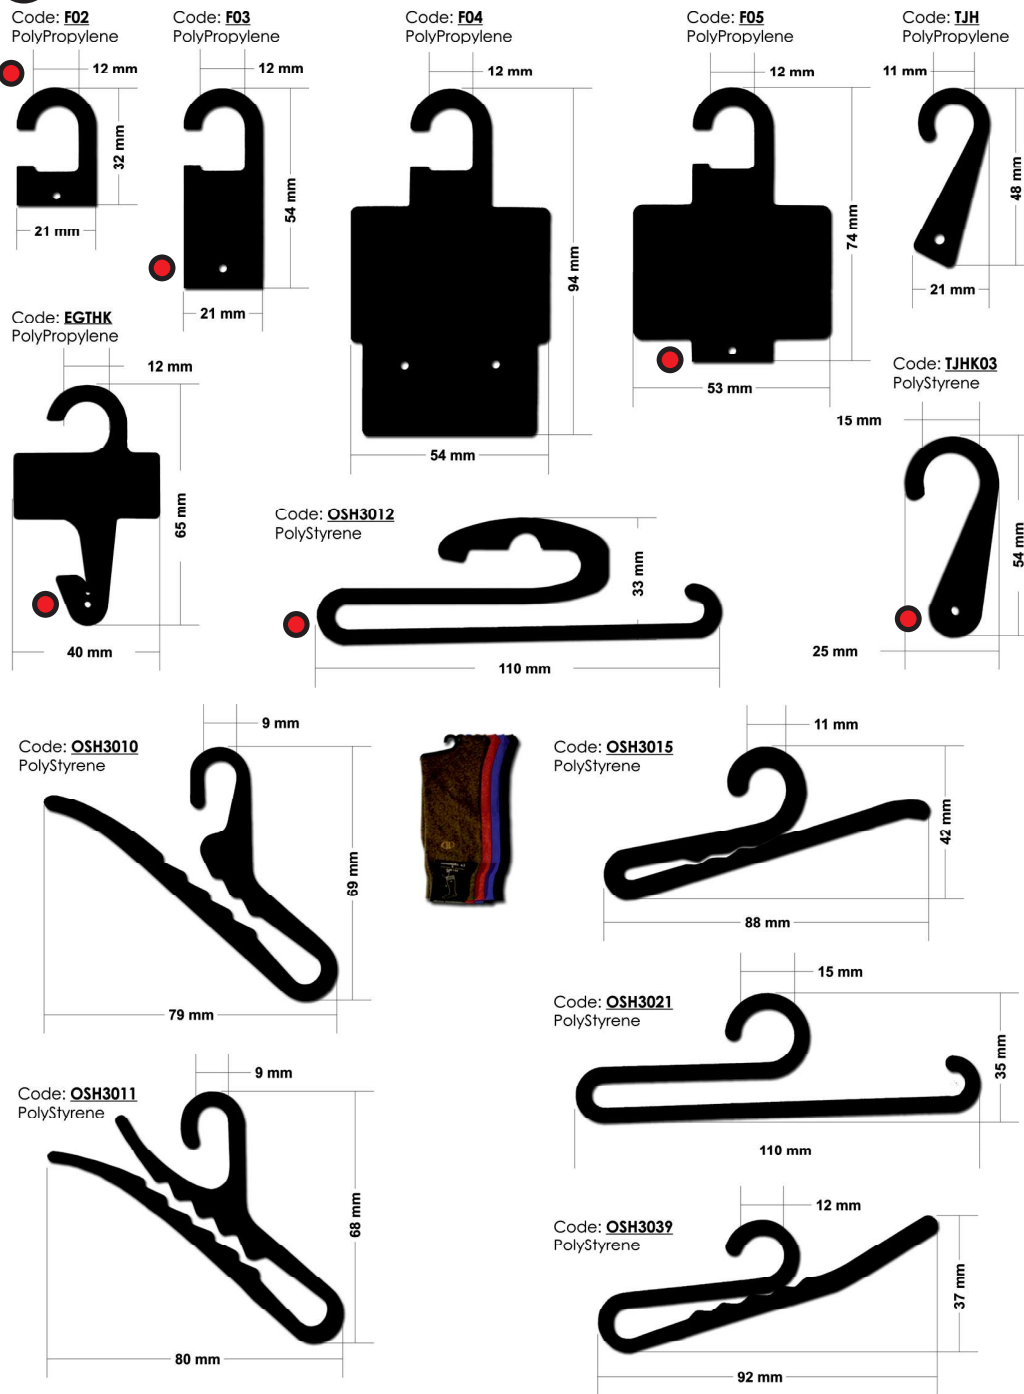

We can print your security seals with unique sequential numbers, text, logos and/or barcodes, helping you improve your security.

In addition we also supply a wide range of security loops and garment attachments to many manufacturers and retailers.
